ONE SIDED BALL GAME

Won by Christians Who Go To Second Place in S. S. League Standing

	Played	Won	Lost	P. C.
Baptists	3	2	1	.667
Christians	4	2	2	.500
Methyterians	3	1	2	.333

The Christian Sunday school ball team posed the Methyterians out of second place in the Sunday School League of Stanford on Thursday afternoon in a rather one-sided game by a score of 14 to 3. The top-sided score was very largely due to the fact that several of the Methyterian nine's best players were out of the game and substitutes had to take their places, several of whom had not played base ball for many years. The Christians all slugged the ball hard for a total of 18 hits during the game. The feature of their opponent's play was the hitting and base running of Harlow Coleman. Considerable good marked rivalry has been engendered among the boys and good crowds are always present rooting for their favorites. The Baptists play the Methyterians next Monday and after that the Baptists and Christians will hook up again on Thursday following. The Christians Methyterians AB R H PO A E

How Bad Backs Have Been Made Strong—Kidney Pills Corrected

All over Stanford you hear it. Doan's Kidney Pills are keeping up the good work. Stanford people are telling about it—telling of bad backs made sound again. You can believe the testimony of your own home people. They tell it for the benefit of you who are suffering. If your back aches, if you feel lame, sore and miserable, if the kidneys act too frequently, or passages are painful, scanty and off color, use Doan's Kidney Pills, the remedy that has helped so many of your friends and neighbors. Follow this Stanford citizen's advice and give Doan's a chance to do the same for you.

My kidneys had been troublesome for a long time, says Mrs. S. J. Hulbide, of W. Main street, Stanford. "My back ached continuously and sometimes was so lame I couldn't bend over without great effort. After using Doan's Kidney Pills, my kidneys became normal and the backache left. This remedy toned up my system and I have since enjoyed good health."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hulbide had. Foster-McMillan Co., Props., Buffalo, N. Y.

W. F. Martin and wife, and children, of Ludlow, have been the guests of relatives here for several days. Mr. Martin travels over Kentucky for Harper's Weekly. He is now operating a farm of 500 acres, and much of the land makes bushels of wheat to the acre, he says.

Ernest Carter, of Evansville, Ind., joined his wife and son at her mother, Mrs. Julia Hughes' here this week. Mr. Carter travels over western Kentucky, southern Illinois and Indiana for a big tobacco manufactory at Cincinnati. He says that if the sentiment in the senatorial race in this part of the state is as true as it is in western Kentucky, Beckham is a sure winner. Mr. Carter says that even in Stanley's home district, the Sevier, Beckham is running like wildfire, and is going to give Stanley the race of his life to carry it.

This is the "Thornhill" Wagon— the Wagon that Must Make Good

The best known materials—the labor of master workmen—the aid of the most ingenious modern machinery have been employed to make the Thornhill wagon.

The wheels are made with excessive care. For the spokes the manufacturers use the finest hickory—machine driven to insure the right dish. The hubs are of oak, thoroughly seasoned and banded with double refined sable iron.

The bolsters are of the best white oak. They have an iron plate at top and bottom, riveted through and through—multiplying their strength.

The "Thornhill" has a malleable front board plate that is braced to the hounds at all points. This is an exclusive "Thornhill" feature. It prevents the

gears from ever getting out of line and causing hard pulling.

"Thornhill" wagons are equipped with long sleeve malleable—non-breakable skeins that insure light running, and outlast any other skein. Each skein is fitted to its axle with a Defiance machine—infallibly accurate. This machine insures the right pitch and tuck, makes light draft a certainty.

The axles are of toughest hickory—the steel axles of the best refined steel. The sides of "Thornhill" beds are made of poplar. It costs the makers more—but it holds paint better and gives better service.

Come in and see this wagon—sold under a binding guarantee.
